

115 kV XLPE Copper Conductor

Cable Construction

- Concentric Stranded Copper
- XLPE Insulation
- Insulation Shield
- Polythene Jacket with conductive layer
- Max Volt. Rating: 120

Standards

- AEIC
- IEC

Product Certification

115 kV XLPE Aluminum Conductor

Cable Construction

- Concentric Stranded Copper
- Conductor Shield
- XLPE Insulation
- Insulation Shield
- Welded Aluminum Sheath
- Polyethylene Jacket
- Max Volt. Rating: 120

Standards

- AEIC
- IEC

Product Certification
